**3. Business Arising**

At the request of Dean Susan Porter, the Committee name has been changed from “Graduate New Programs and Curriculum Committee/Senate Curriculum Committee Graduate Subcommittee” to “Graduate Curriculum Committee.” These two separately defined committees operated as a single body, and the use of two names served to differentiate mandates for programs administered by G+PS (GNPCC) and programs that were administered by disciplinary Faculties (SCCGSC). Moving forward, the Graduate Curriculum Committee will continue with its administrative responsibilities unchanged, albeit under a single title.
