

AGENDA
Faculty of Graduate and Postdoctoral Studies
Graduate Curriculum Committee Meeting
May 10, 2019

1. Adoption of Agenda

2. Minutes of April 12, 2019 Meeting

3. Business Arising

These proposals were reviewed and approved by the Chair, submitted to SCC, and approved by that committee on April 29th:

- EPSE 555 new course: Supportive consultation from Psychology received.
- EPSE 556 new course: Supportive consultation from Psychology received and proponent revised proposal to address concerns raised by GCC members.
- EPSE 634 (3-9) new course: Supportive consultation from Psychology received and proponent revised proposal to address concerns raised by GCC members.
- ETEC 542 (3) new course: Proponent provided detailed grading information for hands-on assignment.
- GBPR 502 (3) new course: Proponent revised proposal to address concerns raised by GCC members and provided more detailed information about final report.
- Master of Engineering Leadership in Green BioProducts: Supportive consultation from Faculty of Science received.
- PLNT 590 (3): Proponent expanded rationale to include motivation for creating the course.
- Sauder School of Business Technology and Leadership career track course package: Proponent revised proposals to address concerns raised by GCC members.
- School Psychology changes: Proponent submitted a single, revised category 1 proposal that addressed concerns raised by GCC members.

These proposals were reviewed and approved by the Chair and submitted to Enrolment Services:

- Civil Engineering Calendar changes: Proponent clarified that two of the requirements are not changing so these have been retained in the Calendar entry. All others changes accepted.
- CIVL 562 (3) revised course name and description: Proponent confirmed this is still a laboratory course.
- EPSE 552 (3-6) revised course name: Proponent provided expanded rationale and sample syllabus. Name change proposed by the Committee was also accepted.
- GBPR 500 (6) course deletion: Proponent confirmed that all students who took this course have graduated and rationale was revised to include this information.
